ANNUAL REPORT

FOUNTAINSPRINGS
Church

Showing people who Jesus is...

A NOTE FROM PASTOR DAVID...

The great philosopher Ferris Bueller said, "Life moves pretty fast. If you don't stop and look around once in awhile, you could miss it." Whether you're a fan of 80's movies or not, we all know that statement is true. Sometimes we think to ourselves, "I feed the need, the need for speed." A better approach for all of us, to keep life from going too fast, is to stop and remember the good that happened. To dwell on what we experienced and what God is doing in and through it.

In official terms, this is an annual report. In plain terms, this is our attempt to not "miss it"...life...the wonderful moments of God and His miracles. The short of the report: Literally thousands of people decided to follow, worship, and live out a surrendered, fulfilling relationship with our Lord and Savior. Don't just see numbers and data...see the impact on people's lives. Despite the national reports, the Church is not dying. It is alive and this is a part of the proof. Don't race through the report...celebrate the life change that is reported all throughout it.

Love, Give, Go,

obviously not all on the same weekend ;)

to the kids team!

471 Average Kids Per Weekend

2019 HIGHLIGHTS:

For our elementary ages, we added a pre-service service project to the activities children can participate in. We partnered with:

The Hope Center to create toiletry kits,
Armor of Hope to create prayer blankets for patients going through chemo,
RCMU Team to send Christmas cards to those incarcerated,
and area nursing homes to send greeting cards along with potted plants.

We were able to host our first Parent Workshop, where we were able to connect with about 100 families and provide partnership and resources to be more intentional about the time we have with our kids.

9 of our Kids volunteers participated in our mission trip to South Africa. On that trip, we were able to share the love of Jesus with about 200 kids!

Baptism

Jesus lights up my purpose.
He makes it easier to cope
and walk through the difficult
times. He has shown himself
time and time again, even
when I wasn't ready. I now
remember these times
so vividly. He leads me
to wanting to be a better
example and person.

DOWNTOWN LOCATION **LAUNCH**

In the fall of 2019 we launched our very first mid-week service. This took place at our new downtown location headed up by Joshua Harris.

Our kick-off service had close to 50 people in attendance and has had between 35-45 people in attendance on average. This location is thriving with a vibrant committed and close-knit community.

We are excited to be launching other locations in the coming years and can't wait for you to join us on this journey
